Fall Back

A Message from Pastor Megan

It's no coincidence in my mind that the words "fall" and "full" are virtually identical. Our individual responsibilities as well as our social calendars seem to multiply like rabbits in the autumn months, making for daily schedules which can feel like Groundhog's Day and summer vacations seem like far distant memories. When September hits, students and teachers go back to school, farmers return to the fields for harvest, and sporting events resume their rhythms. Our church activities are certainly no exception, as you'll see in the following pages. In the fall, the days get shorter and the to-do lists get longer.

For many of us, this is both an exciting time and an exhausting one. It can be refreshing to get back into a regular routine with a bit more structure to each day. It's also rewarding to have more regular face-to-face conversations and interactions with neighbors, peers, co-workers, and others outside your immediate family. None of this, however, changes the fact that you're bound to get less sleep and more responsibilities than you got in June, July, or August. Not to mention, we know the dreaded "S" word is coming and our ventures outdoors without a coat are dwindling.

Our church life is no exception to this full fall expectation. Our regular programs from Jumping for Jesus to Adult Ed. are starting up again. Wednesday nights will be a regular rotation of bell players, confirmation students, and Parish Ed. volunteers. My Sunday nights will be spent setting up *Mario Kart* tournaments and Escape Rooms for the Senior High Youth or reading about trolls and watching television dramas with our online Danish language group. I'm very pumped…and already a little pooped!

But there is one very critical way in which our church busy should feel different from our fall busy. As God's children participating in faithful community, we are not here to perform, perfect, or prove ourselves. We are here to humble and renew our spirits. When we enter the sanctuary for worship, we have God's blessing to experience sanctuary from the hubbub. On the sabbath, we transform back from human-doings into human-*beings*, reconnecting with our God and our values of peace, patience, kindness, gentleness, and grace. From Love we have come and to Love we return.

Believe me, I know that copying our Danebod events over onto our personal and family calendars gives the impression that these are just more things we have to "do" than perhaps opportunities where we simply get to "be." That's why I might recommend to myself and anyone else who could benefit from it, marking "church" on your calendars in some way that highlights it as different, be that with an actual highlighter, a colorful pen, or, for more literal guidance, these very instructions from Christ himself:
"Then, because so many people were coming and going that they did not even have a chance to eat, [Jesus] said to them, 'Come with me by yourselves to a quiet place and get some rest'" -Mark 6:31

Pastor Megan opened the meeting with devotions. Using Visio Divina, each of us picked an image that "speaks to you" and then reflected on the image to answer these questions:

What emotions does this image evoke in you?
What memories or ideas does this bring forth in you?
What might you feel inspired to pray for or about based on this image and your reactions?

IMPORTANT INFORMATION CONCERNING PRAIRIE CONFERENCE WELCA

The Prairie Conference WELCA held officer elections at the Spring Gathering. We were unable to fill the positions of Vice President and Secretary. We will also need to fill the positions of Treasurer and Conference Nominating in April 2027. The Board met yesterday to plan for the Fall Gathering and discuss the future of our Conference.

Our discussion continued on the future of our Prairie Conference WELCA. Local WELCA units stay the same. They proceed as usual with meetings, Bible Studies, programs, fund raisers, quilting, and missions. However, with our lack of volunteers to fill leadership positions at the Prairie Conference level, this tentative proposal came forth (with a motion by Beth and second by Karen):

"Unless we have people stepping up to take leadership positions we will have to dissolve/disband our Prairie Conference WELCA."

The money in the treasury would go to the Synod WELCA.

Women would be welcome to participate in activities in neighboring conferences.

This will be brought forth during the business meeting at the Fall Gathering.

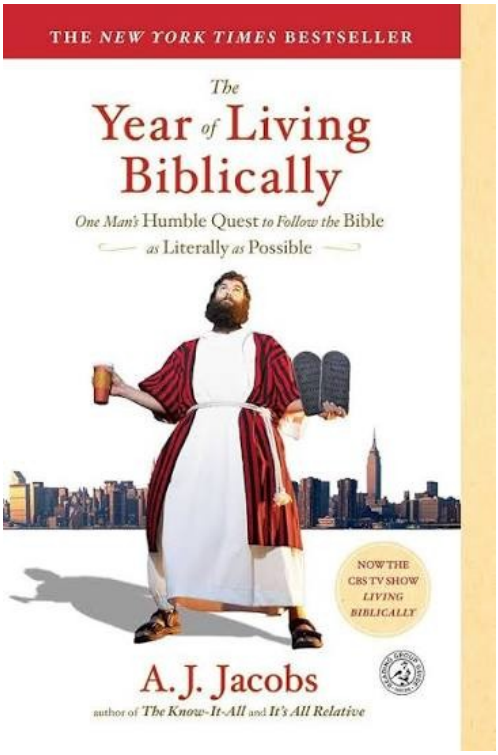
Adult Ed. Fall 2026

The Bible is our one tried-and-true "textbook" for Christian living, but it is anything but black and white. With over six hundred rules and commandments (some contradictory) spanning thousands of years from a world at times very similar and at others completely different from our own, how do we use the Bible today as a guide for faith and faithful community? One man gave it the old college try and journaled his results in the novel *The Year of Living Biblically:*



"Raised in a secular family but increasingly interested in the relevance of faith in our modern world, A.J. Jacobs decides to dive in headfirst and attempt to obey the Bible as literally as possible for one full year. He vows to follow the Ten Commandments. To be fruitful and multiply. To love his neighbor. To tell the absolute truth in all situations—much to his wife's chagrin. Part Cliff Notes to the Bible, part memoir, The Year of Living Biblically approaches a sacred question with humility and humor for challenging, enlightening results."

Adult Ed. meets in the Parish Hall on the second and fourth Weds of the month, 10-11 AM, beginning on Sept. 23rd. Books will be provided with an optional donation of $15. Sign up by contacting Pastor Megan or reaching out to the main office.

got chores?

"God's Work, Our Hands" day of service happens in the fall across the ELCA, where we take some intentional time to live out that greatest commandment of loving and serving our neighbors in need. The Danebod Youth Group will celebrate "God's Work, Our Hands" by driving around the Tyler area and helping neighbors in need with outdoor projects. This could be anything from raking leaves to pulling weeds to washing windows. The best projects are those that 3-4 people could finish in under an hour using basic tools like sponges, brooms, and pruners. Even better if you can supply your favorite cleaning supplies!

Would you welcome some helping hands? Add your name and requests to the sign-up sheet in the Narthex! The **date for the service day is TBD** but will be sometime late September or early October.

No donation is required or expected! However, if you would feel more comfortable offering a gift, a contribution to Youth Fund for their trip to the National Youth Gathering in 2027 would be well-used and appreciated.

Dear JFJ Parents,

Welcome to another fun, faith-filled year of Jumping for Jesus! Whether this is your child's first year or fifth year coming, we are so excited to have them. Thank *you* for taking the time and intention to help us get to know them and to help them get to know God.

Our **theme** this year is *I Love to Tell the Story!* Not only will we read from the Bible about how God's story got started, but we'll also hear about what the Holy Spirit has been up to right here at home through Danebod's history. Most importantly, our kids will get to share their own stories about who they are as children of God. Together, we'll discover how we are all part of one big, holy tale that continues with us!

Each week, one or two kids will be assigned to create and share a **personal storybook**. These printable mini books are to be completed at home and brought to JFJ on your assigned show-and-tell day. If you cannot make your day, don't worry! Reach out to Pastor Megan to switch to another date that works for you. The instructions and template will be passed out on Rally Wednesday as well as sent out via email.

Please see the attached **schedule** for the year. We meet on Wednesdays in the Folk School 5:30-6:30 unless otherwise marked. Every night includes singing, sharing, a lesson, an activity, and a meal (BYOB!). Reach out to anyone on Parish Ed. with any dietary restrictions or special accommodations to help us support your kiddo. Note: we do *not* meet during Lent. This is to give families the opportunity to eat and relax together at our Lenten suppers, open to all!

Throughout the year, we have a variety of **special events**, highlighted in yellow on your calendar. In the fall, the kids all get a part in helping to lead a Sunday worship service for "Kids Church." We also put on a Christmas program in the winter, and in the spring we get to celebrate the Danish holiday of Fastelavn. These are open to the whole community for all to attend and enjoy. Between September and May we have a few special faith milestones as well, like presenting Bibles to our Kindergarteners, 3rd graders, and 7th graders. If your child is at a milestone age, we will reach out with more details and reminders for those dates.

In order to make JFJ possible, we require that parents or another adult from your family please **volunteer twice** to help, ideally one night in the fall and one night in the spring. You don't need to know how to do anything except love kids! It takes a lot of helping hands to feed and teach this group every week, so whether you can slice pizza, count out craft supplies, or help the littles wash their hands, your presence and spirit will be much appreciated. Even if you can only give 20 mins! Sign up through our online SignUp Genius using the link provided via email.

Finally, please know that it is the joy of our Danebod community to support JFJ. No one shines the light of Christ and the love of God like your kids, and it is our honor and passion to prioritize this program. We therefore do not charge families for anything. Occasionally we're asked if we accept **donations.** If you would like to give to JFJ, please address your gift to "Danebod Lutheran Church" with the memo "Parish Ed." We estimate that we spend about $100 per child per year for their meals, crafts, games, gifts, and other supplies, but really every dollar goes a long way. *We also take snacks and meals!* Thank you for your consideration.

On behalf of Pastor Megan and our Parish Ed. Team, thank you for blessing us with your kids!

–Parish Ed: Kim Wooge, Sian Dill, Stacy Keifer, Laurie Johansen, Cindy Dunham, Karlee Wyttenbeck, and Pastor Megan
